Adam Loeser, Fire Chief

Fire Administration (714) 738-6500

Dear Resident:

Since July 1983, the City of Fullerton has charged a fee per response for Paramedic services (assessment/treatment). This fee applies to residents and non-residents alike, and the amount of the fee depends on the type of service rendered. An ALS (Advance Life Support) charge is currently \$550 and a BLS (Basic Life Support) charge is \$275.

As a Fullerton resident, you have an alternative to these response fees. You can take advantage of our Paramedic Subscription Program that provides Paramedic coverage at a moderate annual cost. The annual subscription cost (July 1st through June 30th) is \$46 per year and covers you and all members of your household for Paramedic services within the City of Fullerton.

If you have insurance, your insurance company will be billed. If your policy does not cover the costs or if they deny the claim, you will be responsible for any unpaid balance for Paramedic services, unless you have this program. If you have Medicare coverage you should be aware that your plan may not cover Paramedic assessment/treatment. You will be responsible for the ALS or BLS response fee. **Additionally, the Fullerton Paramedic Subscription Program does not include the cost of ambulance transportation.** If the patient is transported, there will be a separate bill for the ambulance service.

If you join the Paramedic Subscription Program and move to another part of the City during the subscription year you are still covered, but you must call and update the Fire Department. If you move out of the City, this subscription is no longer in effect. We do not prorate the subscription year and the fee is non-refundable.

To renew your subscription, complete the renewal application on the bottom of this form, enclose a check or money order made out to 'City of Fullerton' and mail to:

Fullerton Fire Department  
Attn: Paramedic Services  
312 E. Commonwealth Avenue  
Fullerton, CA 92832-2099  
(714) 738-6341

If it is more convenient, you may call and pay over the phone 714-738-6500 with a credit/debit card, or drop off your payment through our mail slot.

***The Fire Department must receive your application and payment of \$46 on or before July 1, 2023 or a \$10 late fee will be charged. Do not send cash. Your canceled check is your receipt.***
