- FULLERTON, CALIFORNIA -

City Manager's Message

June 19, 2020

Governor Orders Face Coverings in Public

Governor Newsom issued a new order which mandates the use of face coverings statewide. The [new guidance document](#) from the California Department of Public Health, states that people shall wear a face covering, with some exceptions, when they are in a public setting and cannot maintain a social distance from another non family member. The City's Face Covering requirement is still in effect for all employees of open businesses and patrons, but the State mandate is more expansive by requiring face coverings in public spaces and outdoor settings, as described.

Outdoor Dining Opportunities on "Walk on Wilshire"

The City Council joined the North Orange County Chamber of Commerce to officially cut the ribbon for outdoor dining on Wilshire Avenue, west of Harbor. Restaurants are encouraged to expand outdoor dining due to reduced indoor dining occupancies based on State social distancing guidelines. Restaurants across the City are creating outdoor areas for dining. For more information, go to www.DineFullerton.com.

Republic Services to institute CPI and Tip fee increase for Residential Service

Effective July 1st, the City's contract waste hauler, Republic Services, will be increasing rates due to an annual Consumer Price Index (CPI) increase and increased County landfill tipping/gate fees. Republic will adjust the fees charged for the residential, commercial and industrial service components by a CPI factor of 1.95% and pass on the increase of 1.77% for the Orange County landfill disposal gate fee charge. The base residential bill will increase from \$22.53 to \$22.96, or .43 cents. Based on the methodology of factoring in the increases, the net increase to a residential refuse bill is 1.91%. The Consent Calendar:

- Reaffirmation of City's Commitment to Anti-Discrimination and Equitable Communities. This item was pulled, discussed, and after small changes approved.
- West Coyote Hills—Grant Award for Property Acquisition. This item was pulled and discussed. The item was approved unanimously.
- Surplus Property Declaration for 1600 West Commonwealth Avenue, 799 Rolling Hills Drive, 3151 North Euclid Street and Parcel No. 280-016-07 Bastanchury Tree Farm). This items was pulled and discussed, two of the properties - 799 Rolling Hills Drive and Parcel No. 280-016-07 Bastanchury Tree Farm, continued to a future date pending additional information as requested. The other two items were approved.

The remainder of the Consent Calendar items were approved unanimously.

There were two Public Hearing Items.

- Fullerton Municipal Code Amendments Pertaining to Regulations of Short-Term Rentals (continued from June 2,2020). This item was approved unanimously to be continued to the July 21, 2020 meeting. The reason was that the overall agenda was heavy on items and the Mayor wanted to move it to a meeting where more time could be provided.
- Fiscal Year 2019-20 Annual Action Plan Amendment 2 to Create Emergency Rental Assistance Program. This item, based on the Community Development Citizens Committee recommendation, was approved unanimously. This action moved \$300,000 from an action previously approved for business assistance to short term rental assistance to assist lower-income persons with immediate rental assistance. The business assistance program will received additional money from the County of Orange under a program funded through Supervisor Doug Chaffee's office.

CITY COUNCIL MEETING REVIEW

Regular Business Items:

- Pavement Management Plan Status and Update. This item was an update on the City's condition of roads and was presented by the City's Senior Civil Engineer, David Grantham. This was a receive and file report.
- Establishment of Infrastructure Fund with Automatic Deposit of Revenues, Above a Baseline, for Designated Infrastructure Improvements. This item was the First Reading of an ordinance which establishes an Infrastructure Fund into which revenues from property tax and sales tax, above a baseline amount, would be automatically deposited. This was a request by the City Council when the INRAC committee presented options on March 3rd to help improve our infrastructure, specifically streets and roads. The ordinance is designed to capture funds going forward, regardless of whether there are new revenue sources, in order to make sure more current funding is dedicated to infrastructure maintenance and improvements.
- Professional Towing Services Request for Proposal. This item awarded a franchise to Anaheim Fullerton Tow for all Police initiated tows. The Council further requested that two additional respondents be re-evaluated in 6 months.
- Aid Agreement and Memorandum of Understanding for Exchange of Fire, Rescue and Emergency Medical Services Between City of Placentia and City of Fullerton (continued from June 2, 2020). This item was approved as an automatic aid agreement with the City of Placentia on a 3-2 vote (Zahra, Silva opposed). The automatic aid agreement provides for automatic dispatching of units for emergency calls based on the concept of nearest unit available. Based on data from Metro Net, there were 331 calls for service into Placentia from Fullerton in 2019. That is out of 13,272 total calls for service by FFD. Of those, 282 were for medical and 33 were fire related, 15 were other emergency, and one was for a hazardous materials response. OCFA calls into Fullerton were fewer. The agreement requires that we carefully monitor the calls and make 90 reports as well as have the ability to terminate the agreement with 60 days notice.

Operating out of the Maple and Orangethorpe Neighborhood Centers, these programs combine to serve over 300 youth every week and provide educational, physical, and creative stimulation.

The Department is also continuing its free nutritious meal service program out of the Maple Neighborhood Center. Offered through a partnership with Second Harvest Food Bank, this program offers a free, nutritious meal to youth members of local communities under the age of 18. Youth Sports

Youth sports leagues took a small step towards returning to full play as two leagues began modified practices respecting current social distancing protocols. On Monday, the Fullerton Rangers soccer league started soccer practices at City park fields focusing on drills that build stamina and skill without contact and the Fullerton Bears Cheerleaders began no contact practices without tumbling, spotting, and stunting.

Parks & Recreation

Senior Services

The Parks and Recreation Department is **STILL CONNECTING & SERVING** our senior community.

Senior services during COVID-19 include: Meals on Wheels OC food distribution and home delivery, grocery box distribution, Senior Buddies Program in partnership with Fullerton Free, emergency feeding assistance, and regular wellness reassurance calls to our community members. Through our partnerships, we have been able to provide 6,590 seniors with food and other essential services.

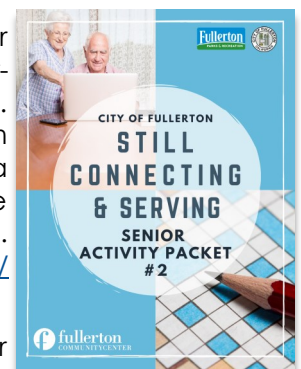

The Fullerton Community Center is meeting the needs of the community by distributing free groceries to over 350 seniors and families in need each week. Our continued partnership with Second Harvest Food Bank allows us to provide community members with a box of fresh, local produce, along with a box of shelf-stable items. Groceries are distributed every Thursday from 1pm to 3pm and we are currently operating as a drive-up service to allow for social distance and safety guidelines.

Through our **Generations United** program, we have been able to hand deliver 218 cards, letters and artwork items from local children and families to homebound seniors over the last two weeks. The mission of the program is to bring families and seniors together through caring connections. These small acts of kindness and service can bring sunshine into the lives of older adults who are isolated during this difficult time. To participate in the program, please send greeting cards, letters, or artwork to the Fullerton Community Center at 340 W. Commonwealth, Fullerton 92832 and City staff will deliver to Fullerton's homebound seniors.

Our first activity packet for seniors was such a big hit, we decided to create another one! The packet consists of local resources for food and other essentials, at-home exercises for balance and mobility, and an assortment of entertaining puzzles and games. The activity packets provide a nice break from the seniors' routines and help keep them entertained while at home. FCC staff and our senior patrons appreciate these extra ways of having fun and staying connected when we can't be together in person. The activity packets are passed out during weekly Meals on Wheels distribution and delivery. Both activity packets are available for download at <http://fullertoncommunitycenter.com/seniorservices/>.

Have you visited the Fullerton Community Center's Resource page lately? Click our website to view our comprehensive list of helpful resources for older adults. Topics range from caregiver support, entertainment and activities, food assistance, to mental health support and scam prevention. Community members can even find helpful information on how to support seniors in their own lives and neighborhoods. Visit today at: <http://fullertoncommunitycenter.com/resources-for-older-adults/>.

Seniors and their loved ones are encouraged to call 714-738-6575 to be advised about the current programs and services that are being offered. Referrals to County resources and other services can also be provided. Please see the Fullerton Community Center website (www.fullertoncommunitycenter.com) for a full list of programs and services, and a comprehensive list of referrals to outside agencies.

We are happy to be STILL CONNECTING & SERVING!
