

CITY MANAGER'S WEEKLY REPORT

- FULLERTON, CALIFORNIA -

City Manager's Message

July 17, 2020

New Statewide & County Closures Related to Covid

Effective immediately, California closed some indoor business operations statewide and additional indoor operations in several counties, including Orange County. Please click [here](#) for the State information.

Statewide indoor closures include restaurants, bars and breweries, wineries and tasting rooms, movie theaters, family entertainment centers, zoos and museums, and cardrooms. County indoor closures include fitness centers, places of worship and cultural ceremonies, indoor protests, offices for non-critical infrastructure sectors, personal care services, hair salons and barbershops, and malls. The City has asked the County to gain better clarification on personal care services (hair salons, barber shops) as we are wanting to allow such services to set up outside. However, the State licensing board does not allow it to occur. We are hopeful they will change their guidance during this time and, if so, we will notify such businesses.

Prepare for Reopening

Although there are still several closures in place, there are steps businesses can take now to ensure when businesses reopen again that they stay open. Keep Fullerton safe by:

- Finding your industry specific checklist at ocbc.org/reopensafely.
- Complete and post your industry-specific checklist.
- Complete and post an attestation

Questions on how to reopen safely? City staff is available to answer COVID-19 related questions. Contact our Community and Economic Development Department at 714-738-6837.

COVID-19 didn't go away when summer arrived. Wear a mask when out in public and physically distance to keep Fullerton healthy and remember to wash your hands often.

Approval of this item will update the Fullerton Municipal Code to reflect current State law related to Sidewalk Vending.

Monthly Legislative Update

The City Council will consider support/oppose positions from the Legislative Subcommittee as well as discuss those bills which were recommended for full City Council consideration.

August 4, 2020 City Council Meeting Cancellation

Due to a limited amount of projected agenda items and the increase in COVID cases, it is recommended that the City Council cancel the August 4th meeting and consolidate items on the August 18th meeting.

Consideration of a Vehicle Incentive Purchase program

The Mayor has requested that the City Council consider whether to proceed with a rebate style program for Fullerton residents or businesses purchasing new or used vehicles from major retailers in town if the sales tax measure put on the November ballot is successful. If approved, Staff would bring back a proposed program on August 18th.

SoCalGas Energy Efficiency & Savings

SoCalGas - Energy Efficiency and Savings Resources

Energy and Water Efficiency and Savings Assessments are Back!

SoCalGas offers commercial account holders no-cost energy efficiency assessments. The Commercial Direct Install (CDI) Program helps businesses reduce energy costs by identifying ways you can use energy more efficiently and save money while conserving precious resources.

Receiving an energy assessment is free and easy! A trained energy efficiency representative will visit your business, following COVID-19 public health and safety guidelines, and evaluate your energy or water use to identify how you can save energy and water. The representative will be as efficient as possible and minimize disruptions to your business. The expert may recommend one or more water or energy savings products for installation. Everything including the assessment, energy-efficient products, and the installation are provided at no cost to you.

To learn more about the Commercial Direct Install Program and eligibility information call 1-800-508-2348 or 213-244-3233 or visit <https://www.socalgas.com/for-your-business/energy-savings/energy-saving-programs/commercial-direct>.

REPUBLIC SERVICES SUCCESS STORY

Fullerton Team,

Just wanted to share this wonderful note that the Basile family left for our driver. Our driver Cesar has serviced their apartment complex weekly and every service day Paul would come out to see Cesar and our truck. Cesar would always take the time to say hello and even provided Paul some Republic gear to brighten his day. Unfortunately, Cesar was on vacation when the Basile family left for Arizona but they gave this beautiful note and picture to Cesar's helper Victor to commemorate their friendship. So awesome!

Water Division Updates

Meter Shop

Meter Shop staff perform meter reading duties and respond to service calls during normal hours of operation and callouts after hours. In addition, they also turn water services on or off based on residents' needs, post water service accounts, replace water meters, water meter boxes/lids and perform repairs/tests on water meters.

Water Production

Staff perform a variety of field lab sampling as required by the State of California. This includes water samples from our wells, reservoirs and water distribution system. Control valves and plug valves regulate water between different pressure zones or elevations within the water system and require preventative maintenance (PM). Well production is a total of gallons produced from City water wells, and MWD production gallons reflect water purchased from Metropolitan Water District.

Water Distribution

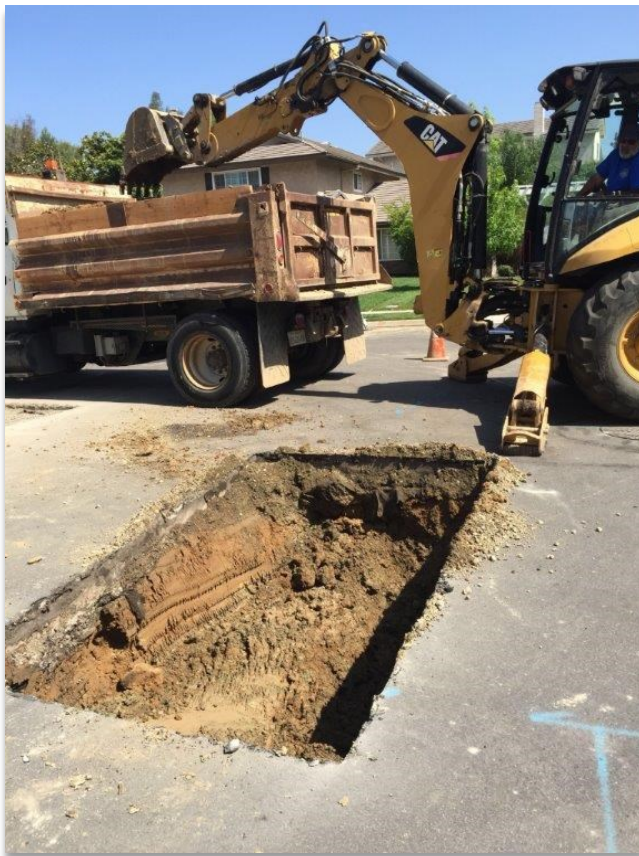

This Division is responsible for the maintenance of the water transmission and distribution system that delivers water to City residents, businesses, and industries. The water transmission and distribution system consists of 430 miles of water pipeline, more than 31,500 metered services, 4,000 fire hydrants, and 12,000 valves. On an annual average, we respond to 4,600 underground service alert tickets.

Public Works

Water Repair

On July 8, 2020 a repair crew from the Water Construction Section replaced a water service located at 2807 Vandergrift Drive. The excavation was backfilled and compacted in preparation for the installation of permanent asphalt, and our Street Division installed hot asphalt on July 9.

Parks & Recreation

Senior Services

The Parks and Recreation Department is
STILL CONNECTING & SERVING
our senior community.

We are happy to be STILL CONNECTING & SERVING!

Senior services during COVID-19 include: Meals on Wheels OC food distribution and home delivery, grocery box distribution, Senior Buddies Program in partnership with Fullerton Free, emergency feeding assistance, and regular wellness reassurance calls to our community members. Through our partnerships, we have been able to provide 8,858 seniors with food and other essential services.

We are excited to introduce our newest program to help keep our older adults entertained and engaged while isolating: Senior Art at Home Kits! The kits will be available bi-monthly, and each kit will focus on a new artist and theme. Our first kit will be available for pick-up on **Tuesday, July 28th from 1-3pm** and focuses on French artist, Henri Matisse. Throughout his career, Matisse searched for a way to unite the formal elements of color and line. As an older adult, he used two simple materials—white paper and gouache (a kind of watercolor paint) —to create works of wide-ranging color and complexity. A simple pair of scissors was the tool Matisse used to transform paper into a magical world of plants, animals, figures, and shapes. Our At Home Art kits will contain all the necessary materials to create a Matisse-inspired collage. The kits are free for seniors age 60 and over.

Seniors and their loved ones are encouraged to call 714-738-6575 to be advised about the current programs and services that are being offered. Referrals to County resources and other services can also be provided. Please see the Fullerton Community Center website (www.fullertoncommunitycenter.com) for a full list of programs and services, and a comprehensive list of referrals to outside agencies.

Feed Fullerton & Youth Services

Feed Fullerton

Happy to announce that our Feed Fullerton program is launching this week. This City run program connects low-income households with nutritious meals provided by 21 participating Fullerton restaurants. Patron eligibility is based on Fullerton residency and income levels. Participants are accepted for two month enrollment periods where they receive 12 meal vouchers to be redeemed for specialty Feed Fullerton menu items at participating restaurants. Additional information, applications, and participating restaurants can be found at www.fullertoncommunitycenter.com/feedfullerton/.

Youth Services

The Parks and Recreation Department is extremely excited to announce that the Camp Hillcrest and Summer Playgrounds youth summer day camp programs are under way! Operating out of Hillcrest Park and the Maple Neighborhood Center respectively, Camp Hillcrest and Summer Playgrounds offer children between the ages of 5-12 exciting opportunities to participate in arts and crafts, athletic play, socialization, dance activities, on-site entertainment, and so much more!

The Department has taken proactive measures to ensure that all campers have a fun and safe summer this year. Modifications have been made to check-in and check-out protocol, sanitation procedures, group activities, and meal service. Masks and an entrance screening prior to participation are required! Additionally, normally scheduled off-site excursions will be replaced with safe and exciting on-site entertainment and other activities. Participation in each program is limited to no more than 40 participants per week, so make sure to register soon! Camp Hillcrest will run from July 13-August 7, and Summer Playgrounds will run from July 13-July 31. Registration is currently open and available at <https://www.fullertoneconnect.asp>. Please contact the Parks and Recreation Department at 714-738-3161 with any questions or for more information. We are looking forward to seeing you this summer!

Boardgame Empire Feels The Need For Speed!

FPL's Boardgame Empire Online program is open to everyone, with friendly and welcoming library staff members hosting game days every Friday afternoon from 1:00 p.m. to 3:00 p.m. To participate, you will need to create a free account at boardgamearena.com and join the "Boardgame Empire" group. We hope to see you around the table soon!

This month's game of choice—inspired in part by a recent viewing of *Ford v. Ferrari*—was *Rallyman GT*, a dice-rolling game that invites players to, "Push your car and your luck to the limits in a daring race." Designed by Jean-Christophe Bouvier and illustrated by Loïc Muzy, *Rallyman GT* was published in 2012 by Holy Grail Games. At the end of the game, the player who manages to squeeze every last ounce of speed from his little plastic car wins! The perfect lap is out there. Can you see it?

For August, we're getting seriously graphic (as in "graphic novel") with *Monstress*

by Marjorie Liu and Sana Takeda and published by Image Comics, an epic fantasy series set in a matriarchal society based on early 20th century Asia. Even though it is fantasy (with great world-building), this series is brimming with outré horror and epic monsters, making it a perfect fit for our book club!

DID YOU KNOW...

Early Fullerton History

When Charles Chapman moved to Fullerton in 1898, there was no First Christian Church, and he had to attend services in Anaheim. In 1904 he purchased a lot at the northeast corner of Harbor and Wilshire, and erected Fullerton's third church building. The congregation used the church until 1911, when it was moved to 115 E Brookdale, where it now stands.
