

# CITY OF FULLERTON CONSTRUCTION ALERT

## Casa Blanca– Barris-Fern Area Sewer and Street Improvements

Schedule at-a-glance:

Begins: Scheduled May 22, 2023.

Duration: Intermittent work for up to 5 months.

Days & Hours: 7:00am to 4:00pm (Monday-Friday)

For more information, please contact the City's Engineering Department at (714) 738-6845.

The City of Fullerton Public Works Department Engineering Division, through its contractor, Dominguez General Engineering, Inc., will be performing infrastructure improvement work within the limits shown on the map.

Construction work will involve: replacement of aged sewer pipe and sewer manholes, storm drain improvements and replacement, rehabilitation of street pavement along Barris Drive, reconstruction of access ramps, repair of damaged sidewalk, and curb and gutter.

At the end of each day you will have access to your driveway. Residents and the School within the project area may experience noise and vibration due to construction related activity. As with all construction projects, safety is a primary concern to us.

We appreciate your patience and cooperation during this project.
