IMPORTANT INFORMATION

Annual Notices

City of Fullerton plans are governed by a combination of federal, state, and City of Fullerton rules and regulations. This includes a requirement for the City of Fullerton to provide certain notices annually to plan participants. Our policy is to distribute these notices to new hires and each year during open enrollment. You may also request a copy of the notices by contacting the Human Resources Department or visiting the City of Fullerton's website (<https://www.cityoffullerton.com/government/departments/human-resources/open-enrollment-2024>).

The following are a list of Annual Notices:

- **Medicare Part D Notice of Creditable Coverage:** Plans are required to provide each covered participant and dependent a Certificate of Creditable Coverage to qualify for enrollment in Medicare Part D prescription drug coverage when qualified without a penalty.
- **HIPAA Notice of Privacy Practices:** This notice is intended to inform employees of the privacy practices followed by City of Fullerton's group health plan. It also explains the federal privacy rights afforded to you and the members of your family as plan participants covered under a group plan.
- **Women's Health and Cancer Rights Act (WHCRA):** This act contains important protections for breast cancer patients who choose breast reconstruction with a mastectomy.
- **Newborns' and Mothers' Health Protection Act:** This act affects the amount of time a mother and her newborn child are covered for a hospital stay following childbirth.
- **Special Enrollment Rights:** Plan participants are entitled to certain special enrollment rights outside of City of Fullerton's open enrollment period. This notice provides information on special enrollment periods for loss of prior coverage or the addition of a new dependent.
- **Medicaid & Children's Health Insurance Program:** Some states offer premium assistance programs for those who are eligible for health coverage from their employers, but are unable to afford the premiums. This notice provides information on how to determine if your state offers a premium assistance program.
- **Summary of Benefits and Coverage (SBC):** Health insurance issuers and group health plans are required to provide you with an easy-to-understand summary about your health plan's benefits and coverage.

ACA

Even though the Affordable Care Act (ACA)'s penalty for not having health coverage (known as the individual mandate) has been reduced to zero, if you are a taxpayer in California, you will still be required to have health coverage (unless you qualify for an exemption) or pay a penalty for the 2024 tax year. In addition, several other states, including Massachusetts, New Jersey, and Vermont, as well as the District of Columbia, have reinstated an individual mandate requirement, and others are considering doing so. You may consider these options below to satisfy this requirement:

- Enroll in a medical plan offered by the City of Fullerton or another group medical plan meeting the requirements for minimum essential coverage
- Purchase coverage through a health insurance marketplace
- Enroll in coverage through a government-sponsored program if eligible

However, if you choose to purchase coverage through the marketplace, because City of Fullerton's medical plans are considered affordable and meet minimum value under the Affordable Care Act, you may not be eligible for a subsidy, and you may not see lower premiums or out-of-pocket costs through the marketplace. In addition, employer contributions to your medical benefits will be lost and your portion of medical premiums will no longer be paid via payroll deductions on a pre-tax basis

IRS Code Section 125

The City of Fullerton employee benefit plans are designed under Section 125 of the IRS Code. This allows you to take advantage of federal laws by purchasing some of your benefits with pre-tax dollars. Under Section 125, your Medical, Dental, Vision, and Flexible Spending Account (FSA) contributions are deducted before taxes are withheld which saves you tax dollars. Paying for benefits before-tax means that your share of the costs are deducted before taxes are determined, resulting in more take-home pay for you. As a result, the IRS requires that your elections remain in effect for the entire year. You cannot drop or change coverage unless you experience a qualifying event.

Changes To Enrollment

The City's benefit plans are effective January 1st through December 31st. There is an annual open enrollment period each year, during which you can make new benefit elections for the following January 1st effective date. Once you make your benefit elections, you cannot change them throughout the year unless you experience a qualifying event as defined by the IRS. Examples include, but are not limited to the following:

- Marriage, divorce, legal separation or annulment
- Birth or adoption of a child
- A qualified medical child support order
- Death of a spouse or child
- A change in your dependent's eligibility status
- Loss of coverage from another health plan
- Change in your residence or workplace (if your benefit options change)
- Loss of coverage through Medicaid or Children's Health Insurance Program (CHIP)
- Becoming eligible for a state's premium assistance program under Medicaid or CHIP

Important

Coverage for a new dependent is not automatic. If you experience a qualifying event, you have 30 days to update your coverage. Please contact the Human Resources Department immediately following a qualifying event to complete the appropriate election forms as needed. If you do not update your coverage within 30 days of the qualifying event, you must wait until the next annual open enrollment period to update your coverage.

MEDICAL BENEFITS

Medical Plans

The City of Fullerton offers health care benefits that give you both choice and affordability. With four medical plans, you choose how you want to manage your costs and healthcare provider relationships.

Kaiser Permanente | HMO Medical Plan

- All services must be obtained at Kaiser Permanente facility, except in the case of an emergency. All of your care must be directed through your selected doctor, but you can choose and change your doctor at any time, for any reason.
- Kaiser Permanente integrates all elements of healthcare such as physicians, medical centers, pharmacy, and administration in one convenient facility.

Kaiser Permanente Online, Mobile and Phone Access

Manage your care online by registering at www.kp.org. You can locate Kaiser Permanente facilities, make or cancel appointments online, refill prescriptions, email your doctor, view medical records, obtain health and wellness information and much more.

Once you've registered, download the Kaiser Permanente app, available on the App Store and Google Play for on-the-go convenience.

You can reach Kaiser customer service at 800-464-4000.

Cigna | HMO Select Network Plan

- You must choose a Primary Care Physician (PCP) or medical group within the Select network for all of your covered family members. All of your care must be directed through your PCP or medical group.
- Any specialty care you need will be coordinated through your PCP and will generally require a referral or authorization.
- You will receive benefits only if you use the doctors, clinics, and hospitals that belong to the medical group in which you are enrolled, except in the case of an emergency

Cigna | HMO Full Network Plan

This plan works just like the Select Network HMO plan, but uses a **larger network** of providers in the network. Since this plan offers more provider options, you will experience higher office visit copays and per paycheck premiums.

MEDICAL BENEFITS

Cigna | Open Access Plus (OAP) HSA Medical Plan

- You have the freedom to choose your doctor without the requirement of selecting a PCP and you may self-refer to specialists. You may use a network provider whose negotiated rates provide richer levels of benefits with claim forms filed by the providers. You may also obtain services using a non-network provider; however, you will be responsible for the difference between the covered amount and the actual charges and you may be responsible for filing claims.
- This plan is considered to be a High Deductible Health Plan (HDHP) linked to a special, tax-qualified Health Savings Account (HSA). You can contribute pre-tax money to your HSA up to IRS maximums to reduce your taxable income and save money on Federal income tax.
- You may use your HSA funds to pay for current eligible health care expenses or save for future expenses.

How the Health Savings Account (HSA) Works

The opportunity to establish and contribute to a Health Savings Account is available when you elect the HSA PPO medical plan option. It's like a personal, tax-free savings account for health care expenses that earns interest. Any unused money rolls over from year to year.

You may elect to make contributions into your account up to IRS maximums. IRS maximums for 2024 are:

- Employee: \$4,150
- Family: \$8,300
- Catch-up if you are 55 years of age or older: \$1,000

The portion of your paycheck that you contribute to your HSA will be taken out before you pay federal income taxes, Social Security taxes and most state taxes (excluding state taxes in AL, CA and NJ). Any contributions you make can be increased or decreased over the course of the year.

You can decide how to manage your money. The money in your HSA is yours to save and spend on eligible health care expenses whenever you need it, whether in this plan year or in future plan years. You can use the funds in your account to pay tax-free for qualifying out-of-pocket Medical, Dental and Vision expenses such as deductibles, coinsurance and copays.

Your account balance earns interest and the unused balance rolls-over from year to year. The money is yours to keep even if you leave City of Fullerton, no longer participate in a high deductible health plan (like the HSA PPO) or retire. You may continue to make contributions to your HSA if you enroll in another qualified high deductible health plan, or elect COBRA continuation coverage of your HSA PPO coverage if your employment terminates.

Cigna Online, Mobile and Phone Access

MEDICAL BENEFITS

Tips for Using Your Medical Benefits

1 Utilize your free preventive care benefits to stay healthy.

Preventive care benefits are covered at no charge to you. Regular preventive care can reduce the risk of disease, detect health problems early, protect you from higher costs down the road, and most importantly... save your life! Take advantage of these no cost benefits now to hopefully avoid major illnesses and costs in the future.

2 Use urgent care centers versus hospital emergency rooms whenever possible.

Frequently, patients seek the services of the hospital emergency department for ailments or injuries that could be treated more economically, and just as effectively, at an urgent care center. It is not always easy to determine when you should choose urgent care over the hospital emergency department. The following lists offer some guidance, but are not necessarily all-inclusive.

Examples of URGENT CARE situations	Examples of EMERGENCY situations
Any illness or injury that would prompt you to see your primary care physician including but not limited to: • Accidents and falls • Sprains • Back problems • Breathing difficulties • Abdominal pain • Minor bleeding/cuts • High fever • Vomiting, diarrhea or dehydration • Severe sore throat or cough • Mild to moderate asthma	Any accident or illness that may lead to loss of life or limb, serious medical complication or permanent disability including but not limited to: • Chest pain* • Seizure or Shock • No pulse • Sudden dizziness, loss of coordination or balance • Severe abdominal pain • Severe or uncontrollable bleeding • Broken bones or compound fractures • Spinal cord or back injury • Severe burns • Major head injuries • Ingestion of poisons or obstructive objects • Animal, snake or human bites

*If you believe you may be experiencing a heart attack, call 911 immediately! Do not drive yourself to the emergency room!

3 Use generic and over the counter drugs when available.

The best way to save on prescriptions is to use generic or over the counter medications as opposed to brand name drugs. Generic drugs must use the same active ingredients as the brand name version of the drug. A generic drug must also meet the same quality and safety standards.

4 Use the mail-order prescription drug benefit for maintenance medications.

The mail order pharmacy is a fast, easy and convenient way to save time and money on your maintenance medications. You can order additional supplies of medication at a discount. See carrier provisions for details.

Choosing a Beneficiary

A beneficiary is a person or entity who you designate to receive your death benefits. Choosing a beneficiary and keeping your beneficiary up-to-date is an essential part of owning life insurance. You may call the Human Resources Department for a copy of the Beneficiary Designation Form as needed or visit the City's intranet under Benefits and Services / Life Insurance.

Medicare Part D Notices of Creditable Coverage

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. To help you decide whether or not to enroll in a Medicare Part D prescription drug plan, this Notice will inform you whether or not the value of the prescription drug benefit under your group health plan equals or exceeds the value of standard prescription drug coverage available under Medicare Part D.

Women's Health & Cancer Rights Act (WHCRA)

This act contains important protections for breast cancer patients who choose breast reconstruction with a mastectomy. The U.S. Departments of Labor and Health and Human Services are in charge of this act of law which applies to group health plans if the plans or coverage provide medical and surgical benefits for a mastectomy.

Newborn & Mother's Health Protection Act

This Notice informs employees of the amount of time a mother and her newborn child are covered for a hospital stay following childbirth.

HIPAA Special Enrollment Rights

Plan participants are entitled to certain special enrollment rights outside of the company open enrollment period. This Notice provides information on special enrollment periods for loss of prior coverage or the addition of a new dependent.

Medicaid & Children's Health Insurance Program

If you are eligible for health coverage, but are unable to afford premiums, some states have premium assistance programs that can help pay for coverage. This Notice provides information on how to contact your state's Medicaid office to receive information.

HIPAA Notice of Privacy Practices

This Notice describes how medical information about you may be used and disclosed and how you can get access to this information. It also explains the Federal privacy rights afforded to you and the members of your family as plan participants covered under a group plan.

Wellness Program Disclosures

Notice must be given by any group health plan offering a wellness program that requires individuals to meet a standard related to a health factor in order to obtain a reward.

ANNUAL NOTICES

MEDICARE PART D NOTICE OF CREDITABLE COVERAGE

Important Notice from City of Fullerton About Your Prescription Drug Coverage and Medicare

Please read this Notice carefully and keep it where you can find it. This Notice has information about your current prescription drug coverage with City of Fullerton under the Cigna, Kaiser, Anthem, Blue Shield, Health Net & UnitedHealthcare (HMO & PPO) and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this Notice. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. City of Fullerton has determined that the prescription drug coverage offered under the above plan option(s), on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current coverage with City of Fullerton will not be affected. If you decide to join a Medicare drug plan and drop your current medical plan coverage, be aware that you and your dependents will be able to get this coverage back (for example, at the next annual open enrollment period or upon incurrence of a special enrollment event).

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with City of Fullerton and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About Your Medicare Prescription Drug Coverage Options

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll receive a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For More Information About Medicare Prescription Drug Coverage

- Visit www.medicare.gov;
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help; or
- Call (800) MEDICARE or (800) 633-4227. TTY users should call (877) 486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For more information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or you may call them at (800) 772-1213—TTY (800) 325-0778.

REMEMBER: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

For More Information About This Notice Or Your Current Prescription Drug Coverage

Contact the person listed on **page 26** for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through City of Fullerton changes. You also may request a copy of this notice at any time.

ANNUAL NOTICES

WOMEN'S HEALTH & CANCER RIGHTS ACT (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All states of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the medical plan.

To obtain more information on WHCR benefits, please call or email the person listed on **page 26**.

NEWBORN AND MOTHERS' HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

To obtain more information, please call or email the person listed on **page 26**.

SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependent (s) (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents if you or your dependent(s) lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or if the employer stops contributing toward your or your dependents' other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the birth, adoption, or placement for adoption.

To obtain more information, please call or email the person listed on **page 26**.

ANNUAL NOTICES

MEDICAID & CHILDREN'S HEALTH INSURANCE PROGRAM

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you are a California resident, please contact the California Department of Health Care Services to see if you may be eligible for premium assistance:
